What if Zia was a Sailor Guardian?

by [MiaQc](#)

Summary

A microfic that wants to answer the following question: What if Zia was a Sailor Guardian?

- A translation of [Et si Zia était une Sailor Gardienne?](#) by [MiaQc](#)

I face Zares, no, Ambrosius. How dare he uses us and betray us like this! This time he'll regret it.

I hold out my right hand to the sky.

"Inca Sun Power..."

My nails turn golden and my sun medallion's symbol appears on my forehead.

"Make Up!"

My body is naked and surrounded by the sun light. I turn around and transform. Long white gloves appear. Their ends are orange. Gold bracelets then materialize on my wrists, over the gloves. Orange sandals appear afterwards. A uniform, looking like a woman's sailor outfit, appears and it hides my chest. Its white and orange. On its big orange ribbon, located on my chest, my sun medallion appears. The uniform also has another, smaller ribbon in the back. A tiara with a golden stone materializes on my forehead, followed by round earrings, shaped like my medallion. I stop spinning. My transformation is over.

"I am the Guardian of the Incas' Sun, Sailor Inti! In the name of the sun's shining light, I will punish you!"

I can't believe Ambrosius gave me time to finish my speech. No matter, I'm ready to fight.

"SUN RAYS..."

Solar energy concentrates in my hands.

"SPREAD!"

Rays are coming out of my hands. Ambrosius dodges several but he gets hit. I hear him growl in anger. I stay focused and prepare my next attack.
